3.08.010 Cemetery fund--Created. A. The council of the city has determined to establish a cemetery fund pursuant to the provisions of Sections 959-82 to 959-84 of the Wisconsin Statutes for 1913.

B. All sums of money donated shall, unless otherwise directed by the donor, be paid into the treasury of the city. The city treasurer shall give a receipt therefor, which shall be recorded in some appropriate book to be kept for that purpose. In the book shall be stated the amount received from each donor, and the specific purpose to which the use thereof is appropriated. Money so received by the city treasurer, unless otherwise directed by the donor, shall be paid into the general fund of the city, and the city shall thereafter be perpetually liable for four percent thereon annually, or if the city can at any time borrow the same amount of money for a rate of interest less than four percent then for such less rate of interest, annually to be expended, for the purpose and in the manner designated by the donor by and under the direction of the city authorities, and through such agencies as they may from time to time select. (Prior code §13.27).

B. Pursuant to Section 74.08(1), in lieu of entering on each tax receipt the several amounts paid respectively for state, county, local, school and other taxes, the aggregate amount of state, county, local, school and other taxes shall be combined in a single column on the tax receipt issued by the city treasurer. Special assessments levied and assumed by the city on behalf of indigent persons pursuant to the provisions of section 3.16.030 shall be waived and forgiven in the same manner and the same proration as other special assessments as specified in this subsection. In this section, "reconstruction" means the building or installation of a sewer or water utility main or lateral, or both, which replaces a previously existing main or lateral with substantially the same service within the same right of way or easement of the city. This ordinance shall supersede all other ordinances or resolutions enacted by the Eau Claire city council which are in conflict with this ordinance. (Ord. 7037, 2012; Ord. 5851, 1998; Ord. 5791, 1998; Ord. 5415, 1994; Ord. 5390, 1994; Ord. 4794 §1, 2, 3, 1987; Ord. 4472, 1984; Ord. 4442, 1984; Ord. 3398 §II(part), 1973).

3.16.030 Special assessments--City assumption. A. Purpose. The city council acknowledges that the levy of special assessments can result in extreme financial hardship in some instances. It therefore enacts this provision in order to provide necessary relief to persons affected by such a levy. It is the intent and purpose of the city council to alleviate the burden of such levies in cases where the loss of the homestead is a reasonable probability, while preserving the right for the ultimate collection of special assessments involved.

B. Definitions. Wherever in this section the following words or terms appear they have the meaning indicated, unless the context clearly requires otherwise:

1. "Indigent person" means a natural person owning and occupying a homestead against which special assessments are levied in an amount which, when considered with the overall financial condition of the person, will, within a reasonable probability, require the sale of the homestead to satisfy the payment of such special assessments.
2. "Homestead" means the dwelling and so much of the land surrounding it as is reasonably necessary for use as a home, except so much of such land as is vacant and of sufficient size so that it could be divided and sold for development as permitted under appropriate zoning and other regulations.
3. "Special assessment" shall include assessments levied under s. 66.0701, Wisconsin Statutes, including any amendments, revisions or modifications of same and special charges imposed under s. 66.0627, Wisconsin Statutes including any amendments, revisions or modifications of same.

C. Assumption by city. The city council may determine, following due application and consideration by the committee, to assume and pay on behalf of any indigent person, all or part of any special assessment, or installment thereof. Upon the granting of an application, the payment of all or part of such special assessment shall be deemed to be deferred, in accordance with and subject to the terms and conditions as set forth by the city council and this section.

D. Application. Applications for a deferment under this section shall be filed with the city clerk on forms provided by the city. The information on the form shall be verified by the applicant. The application shall contain the following information:

1. Age and employment of applicant;

2. Schedule of applicant's assets, liabilities and income from all sources; and

3. All other information requested by the city to assist in evaluating the application. All information provided on the application shall be considered and treated, to the fullest extent provided by law, as confidential, privileged information, and shall be divulged only by:

a. Persons using the information in the discharge of their duties imposed by law or of the duties of their office; or

b. Order of a court.

E. Review of application. City council shall make the final determination as to the granting of an application for deferment of a special assessment.

F. Interest. Interest on the amount of special assessment deferred shall be imposed at the rate of 6% per year.

G. Tax roll; notice; lien retained. The granting of an application shall authorize the city treasurer to make payment, from city funds, of the amount of the special assessment deferred. The city clerk shall record a document with the office of register of deeds containing a description of the property affected, the amount of special assessment deferred, and any other appropriate information. Such amount, and interest thereon, shall not be placed on the tax roll until the conditions contained in subsection H. occur. Nothing provided in this section shall be deemed to extinguish or otherwise affect any lien established by law for the collection of any deferred special assessment, and any such lien is expressly retained.

H. Placement on roll. When a determination is made by the city council that a grantee no longer qualifies as an indigent person, the amount of special assessments deferred, and accrued interest, shall be placed upon the next available tax roll to be collected in the same manner as delinquent special assessments.

I. Payment when no longer eligible. Upon transfer of title of such property by any means, the amount of special assessments deferred, and accrued interest, shall become due and payable in full. Upon payment in full, an appropriate satisfaction of payment shall be issued by the city treasurer and recorded in the office of register of deeds.

J. Payment to discharge lien. The owner of property affected, or the heirs, personal representative or assigns of such owner, may discharge the lien of such special assessment at any time by paying the outstanding amount of special assessment owing, plus accrued interest.

K. Grant not a waiver.

1. The granting of an application by the city council under this section shall not be deemed to be a waiver of the requirement that, in the event of an appeal of a special assessment under s. 66.0703(12), Wisconsin Statutes, including any amendments, revisions or modifications of same the amount of the assessment shall be paid in full as a condition to the maintenance of said appeal, as provided by s. 66.0703(12), Wisconsin Statutes including any amendments, revisions or modifications of same.

2. The granting of an application under this section shall not be deemed to waive the right of the city to reassess any invalid special assessment under the provisions of s. 66.0703(14), Wisconsin Statutes including any amendments, revisions or modifications of same.

3. The applicant shall agree to the conditions contained in paragraphs 1. and 2. prior to granting the application. (Ord. 7207 §2, 2016; Ord. 7193 §3, 2016; Charter Ord. 6935, 2010; Ord. 5439, 1994; Ord. 5108 §1, 1990).

3.20.010 Definitions. In this chapter: A. "Gross receipts" has the meaning as defined in Wisconsin Statutes, Section 77.51(4)(a), (b), and (c) insofar as applicable.

B. "Hotel" or "motel" means a building or group of buildings in which the public may obtain accommodations for a consideration, including, without limitation, such establishments as inns, motels, tourist homes, tourist houses or courts, lodging houses, rooming houses, summer camps, apartment hotels, resort lodges and cabins and other building or group of buildings in which accommodations are available to the public, except accommodations rented for a continuous period of more than one month and accommodations furnished by any hospitals, sanatoriums, or nursing homes, or by corporations or associations organized and operated exclusively for religious, charitable or educational purposes, provided that no part of the net earnings of such corporations and associations inures to the benefit of any private shareholder or individual.

C. "Transient" means any person residing for a continuous period of less than one month in a hotel, motel or other furnished accommodations available to the public. (Ord. 4827 §1, 1987; Ord. 3513 §1(A), 1975).

3.20.020 Levy of tax--Rate. Pursuant to Wisconsin Statutes, Section 66.0615, a tax is imposed on the privilege and service of furnishing, at retail, of rooms or lodging to transients by hotel keepers, motel operators and other persons furnishing accommodations that are available to the public, irrespective of whether membership is required for the use of the accommodations. Such tax shall be at a rate of 8% of the gross receipts from such retail furnishing of rooms or lodgings. Such tax shall not be subject to the selective sales tax imposed by Wisconsin Statutes, Section 77.52(2)(a). (Ord. 6857 §1, 2008; Ord. 4614, 1985; Ord. 3974 §2, 1979; Ord. 3513 §1(B), 1975).

3.20.025 Allocation of tax collected. A. The City intends to allocate 70% of the amount of room tax collected on tourism promotion and development. The City elects to retain at least 30% of the amount collected, up to the maximum amount permitted by law for a city having first imposed a room tax prior to May 13, 1994, and as otherwise consistent with any then current contracts with a tourism entity, on other expenses that further a public purpose as determined annually by the city council through the City adopted budget. (Ord. 7149 §1, 2015)

3.20.030 Administration--Returns. This chapter shall be administered by the city treasurer. The tax imposed for each calendar month is due and payable on the thirtieth day of the month next succeeding the calendar month for which imposed. A return shall be filed with the city treasurer by those furnishing at retail such rooms and lodging, on or before the same date on which such tax is due and payable. Such return shall show the gross receipts of the preceding month from such retail furnishing of rooms or lodging, the amount of taxes imposed for such period, and such other information as the city treasurer deems necessary. Every person required to file such monthly return shall, with his first return, elect to file an annual calendar year or fiscal year return. Such annual return shall be filed within thirty days of the close of each such calendar or fiscal year. The annual return shall summarize the monthly returns, reconcile and adjust for errors in the monthly returns, and shall contain such additional information as the city treasurer requires. Such annual returns shall be made on forms as prescribed by the city treasurer. All such returns shall be signed by the person required to file a return or his duly authorized agent, but need not be verified by oath. The city treasurer may, for good cause, extend the time for filing any return but in no event longer than one month from the filing date. For reporting the room tax and the accounting connected therewith, those furnishing such rooms and lodging may deduct two percent of the room tax payable each month as administration expenses, provided that payment of the tax is not delinquent. (Ord. 3534 §1, 1975; Ord. 3513 §1(c), 1975).

3.20.040 Permit--Application--Fee. Every person furnishing rooms or lodging under Section 3.20.020 shall file with the city treasurer an application for a permit for each place of business. Every application for a permit shall be made upon a form prescribed by the city treasurer and shall set forth the name under which the applicant transacts or intends to transact business, the location of his place of business, and such other information as the city treasurer requires. The application shall be signed by the owner if a sole proprietor and, if not a sole proprietor, by the person authorized to act on behalf of such sellers. At the time of making an application the applicant shall pay to the city treasurer a fee as stated in the City of Eau Claire Fees and Licenses Schedule for each permit. (Ord. 6363 §4, 2002; Ord. 3513 §1(D), 1975).

3.20.050 Permit--Issuance--Display. After compliance with Sections 3.20.040 and 3.20.140 by the applicant, the city treasurer shall grant and issue to each applicant a separate permit for each place of business within the city. Such permit is not assignable and is valid only for the person in whose name it is issued and for the transaction of business at the place designated therein. It shall at all times be conspicuously displayed at the place for which issued. (Ord. 3513 §1(E), 1975).

3.20.060 Permit--Revocation or suspension. Whenever any person fails to comply with this chapter the city treasurer may, upon ten days' notification and after affording such person the opportunity to show cause why his permit should not be revoked, revoke or suspend any or all of the permits held by such person. The city treasurer shall give to such person written notice of the suspension or revocation of any of his permits. The city treasurer shall not issue a new permit after

the revocation of a permit unless he is satisfied that the former holder of the permit will comply with the provisions of this chapter. A fee as stated in the City of Eau Claire Fees and Licenses Schedule shall be imposed for the renewal or issuance of a permit which has been previously suspended or revoked. (Ord. 6363 §4, 2002; Ord. 3513 §1(F), 1975).

3.20.070 Successor's liability. A. If any person liable for any amount of room tax under this chapter sells out his or her business or quits the business, his or her successors or assigns shall withhold a sufficient amount of the purchase price to cover such tax amount until the city treasurer issues a receipt that the tax has been paid or a certificate stating that no amount is due.

B. A purchaser or assignee of the business of any person liable for room tax shall be personally liable for payment of such room tax if the purchaser or assignee fails to withhold a sufficient amount of the purchase price to cover the taxes due. Such liability shall be known as "successor's liability" under this section.

1. If a corporation is created and acquires the assets of a sole proprietor in consideration for the corporation's capital stock, the corporation is liable for the room tax of the sole proprietorship.

2. A financial institution or mortgagee who forecloses on a loan to a person owing delinquent room tax shall not incur successor's liability.

3. If a business passes from one party to a second party and thereafter to a third party, and the second party's successor's liability shall be unpaid, such successor's liability shall not be transferred to the third party. Under such circumstances, such third party shall be liable only for the unpaid room tax of the second party.

4. Successor's liability is not incurred through a sale by a trustee in bankruptcy, through a transfer by gift or inheritance, through a sheriff's sale, or through a sale by a personal representative or special administrator.

5. If a financial institution or other creditor actually operates a business which has been voluntarily surrendered by a delinquent debtor in full or partial liquidation of a debt, the creditor shall incur successor's liability. The financial institution or creditor does not incur successor's liability if it acquires possession of a business voluntarily surrendered if it never operates the business and if its sole purpose is to sell the business in its entirety at whatever price it can obtain to recover its investment.

6. A successor shall be liable only for the amount of the room tax liability, and not penalties or interest.

7. Successor's liability shall be limited to amounts owed by the predecessor which were incurred at the location purchased. If the seller operates at more than one location while incurring a total liability for all locations, its liability incurred at the location sold shall be determined and shall represent the amount for which the successor may be held liable.

8. Successor's liability shall be determined by law and shall not be altered by agreements between a buyer and seller. (Ord. 5106, 1990; Ord. 3513 §1(G), 1975).

3.20.080 Office audit determination. The city treasurer may, by office audit, determine the tax required to be paid to the city or the refund due any person under this chapter. This determination may be made upon the basis of the facts contained in the return being audited or on the basis of any other information within the city treasurer's possession. One or more such office audit determinations may be made of the amount due for anyone or for more than one period. (Ord. 3513 §1(H), 1975).

3.20.090 Field audit determination. The city treasurer may, by field audit, determine the tax required to be paid to the city or the refund due to any person under this chapter. The determination may be made upon the basis of the facts contained in the return being audited or upon any other information within the city treasurer's possession. The city treasurer is authorized to examine and inspect the books, records, memoranda, and property of any person in order to verify the tax liability

of that person or of another person. Nothing herein shall prevent the city treasurer from making a determination of tax at any time. (Ord. 3513 §1(I), 1975).

3.20.100 Failure to file return--Estimate and penalty. If any person fails to file a return as required by this chapter, the city treasurer shall make an estimate of the amount of the gross receipts under Section 3.20.020. Such estimate shall be made for the period for which such person failed to make a return and shall be based upon any information which is in the city treasurer's possession or may come into his possession. On the basis of this estimate the city treasurer shall compute and determine the amount required to be paid to the city, adding to the sum thus arrived at a penalty equal to ten percent thereof. One or more such determinations may be made for one or more than one period. (Ord. 3513 §1(J), 1975).

3.20.110 Interest rate. All unpaid taxes under this chapter shall bear interest at the rate of six percent per year from the due date of the return until the first day of the month following the month in which the tax is paid or deposited with the city treasurer. All refunded taxes shall bear interest at six percent per year from the due date of the return until the first day of the month following the month in which said taxes are refunded. An extension of time within which to file a return shall not operate to extend the date due of the return for purposes of interest computation. If the city treasurer determines that any overpayment of tax has been made intentionally or by reason of carelessness or neglect, or if the tax which was overpaid was not accompanied by a complete return, it shall not allow any interest thereon. (Ord. 3513 §1(K), 1975).

3.20.120 Delinquent returns--Fee. Delinquent tax returns shall be subject to late filing fee as stated in the City of Eau Claire Fees and Licenses Schedule. The tax imposed by this chapter shall become delinquent if not paid:

A. In the case of a timely filed return, within thirty days after the due date of the return, or within thirty days after the expiration of an extension period if one has been granted;

B. In the case of no return filed or a return filed late, by the due date of the return. (Ord. 6363 §4, 2002; Ord. 3513 §1(L), 1975).

3.20.130 Negligence--Tax evasion--Incorrect returns. A. If a return is filed late, or an incorrect return is filed, the entire tax finally determined shall be subject to a penalty of twenty-five percent of the tax exclusive of interest or other penalties.

B. If a person fails to file a return when due or files a false or fraudulent return with the intent in either case to defeat or evade the tax imposed by this chapter, a penalty of fifty percent shall be added to the tax required to be paid, exclusive of interest and other penalties. (Ord. 5211 §1, 1992; Ord. 3513 §1(M), 1975).

3.20.135 Interest--Penalty--Late fee; Waiver. A. Any penalty imposed pursuant to ss. 3.20.100 or 3.20.130 A. and the late fee imposed pursuant to s. 3.20.120 may be waived by the city treasurer if the treasurer determines that the error or failure for which the penalty or late fee would otherwise be imposed was reasonably due to good cause and not due to neglect.

B. The interest on unpaid room taxes which is imposed pursuant to s. 3.20.110 may be waived by the city treasurer if the treasurer determines that:

1. Such room taxes were charged to a hotel or motel annexed to the city on or after May 1, 1990; and

2. The non-payment was reasonably due to good cause and not due to neglect. (Ord. 5211 §2, 1992).

3.20.140 Security deposit. In order to protect the revenue of the city, the city treasurer may require any person liable for the tax imposed by this chapter to place with the city, before or after a permit is issued, such security not in excess of five thousand dollars as the city treasurer determines. If any taxpayer fails or refuses to place such security, the city treasurer may refuse or revoke such permit. If any taxpayer is delinquent in the payment of the taxes imposed by this chapter, the city treasurer may, upon ten days' notice, recover the taxes, interest and penalties from the security placed with the city treasurer by such taxpayer. No interest shall be paid or allowed by the city to any person for the deposit of such security. (Ord. 3513 §1(N), 1975).

3.20.150 Record keeping. Every person liable for the tax imposed by this chapter shall keep or cause to be kept such records, receipts, invoices and other pertinent papers in such form as the city treasurer requires. (Ord. 3513 §1(O), 1975).

3.20.160 Confidentiality--Who may have access to information. All tax returns, schedules, exhibits, writings or audit reports relating to such returns, on file with the city treasurer, are deemed to be confidential, except the city treasurer may divulge their contents to the following, and no others:

- A. The person who filed the return;
 - B. Persons using the information in the discharge of duties imposed by law or of the duties of their office; and
 - C. By order of a court.
- (Ord. 5101, 1990; Ord. 4827 §2, 1988; Ord. 3513 §1(P), 1975).

3.20.170 Confidentiality--Responsibility of administrators. No person having an administrative duty under this chapter shall make known in any manner the business affairs, operations or information obtained by an investigation of records of any person on whom a tax is imposed by this chapter, or the amount or source of income, profits, losses, expenditures, or any particular thereof, set forth or disclosed in any return or to permit any return or copy thereof to be seen or examined by any person, except as provided in Section 3.20.160. (Ord. 3513 §1(Q), 1975).

3.20.180 Violation--Penalty. Any person who is subject to the tax imposed by this chapter who fails to obtain a permit as required in Section 3.20.040, or who fails or refuses to permit the inspection of his records by the city treasurer after such inspection has been duly requested by the city treasurer, or who fails to file a return as provided in this chapter, or who violates any other provision of this chapter, shall be subject to a forfeiture not to exceed two hundred fifty dollars. Each day, or portion thereof, that such violation continues constitutes a separate offense. (Ord. 3513 §1(R), 1975).
